

Attention Maria Regina Community:

Do to unforeseen circumstances; unfortunately we are unable to have a two day carnival as planed for this year. However, we will move ahead with plans on having a One day “**Only**” Harvest Festival on Saturday, November 6th.

All parents will be **required** to volunteer and complete 4 hours of service at the Harvest Festival. Sign up sheet will be posted on the PTO board, across for the schools office two weeks prior to the festival.

Once again the PTO would like to apologize for any inconvenience this may have cause. We are looking forwards to a successful festival and having lots of fun this year.
